Á Golgata høvd var ein krossur,

Jesus doyði á krossi.

Í urtagarði var grøv,

Jesu likam lá har.

Krossur er tómur, grøvin er tóm,

Jesus reis upp og Hann livir.

Krossur er tómur, grøvin er tóm,

Jesus reis upp og Hann livir.

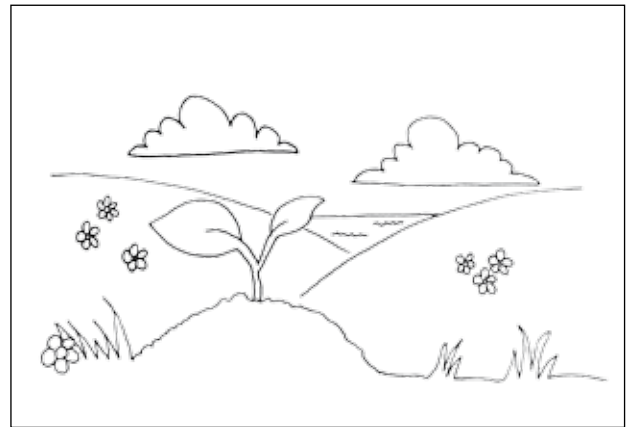

Upp alt ið Harrin hevur gjørt

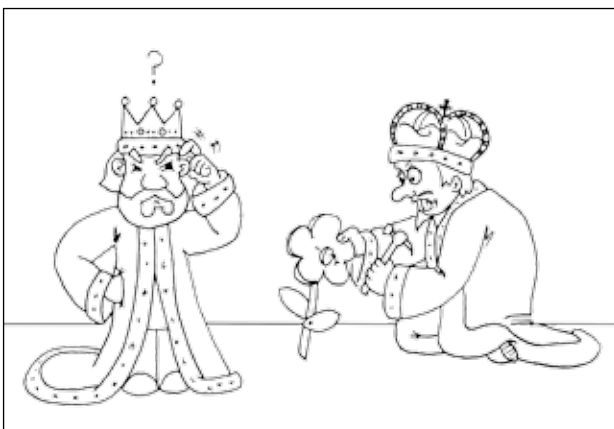

Brorson 1734. Týtt: Chr. Matras 1920.

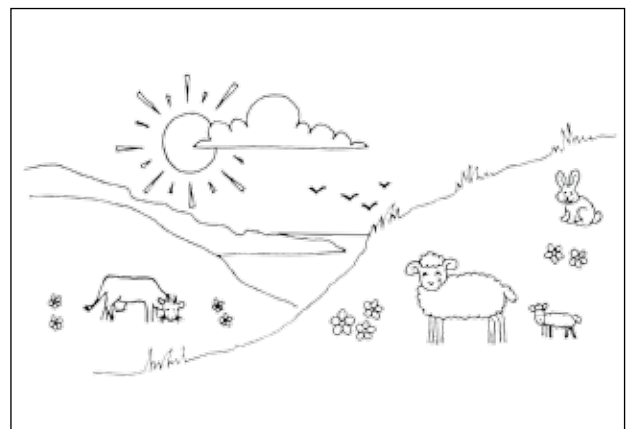

1. Upp alt, ið Harrin hevur gjørt,
hans dýrd og tign at prísar,
hans minsta skaparverk er stórt
og kann hans megi vísa.

3. Tey minstu grøs eg undrist á,
í skóg og dølum næla,
hvar skuldi eg tann vísdóm fá
um tey við skil at tala?

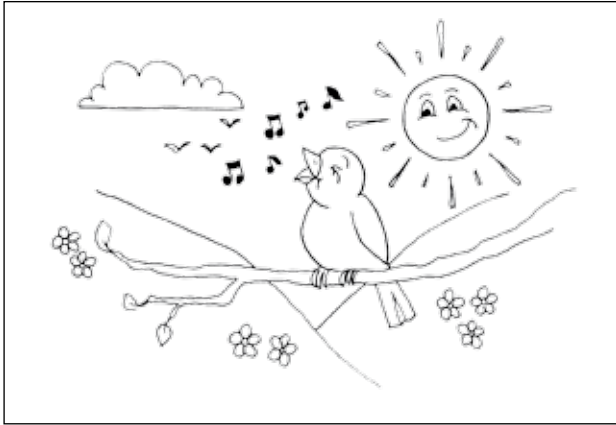

2. Og gingu kongar fram á rað
og vístu megi mesta,
teir meгнаðu ei minsta blað
á notulegg at festa.

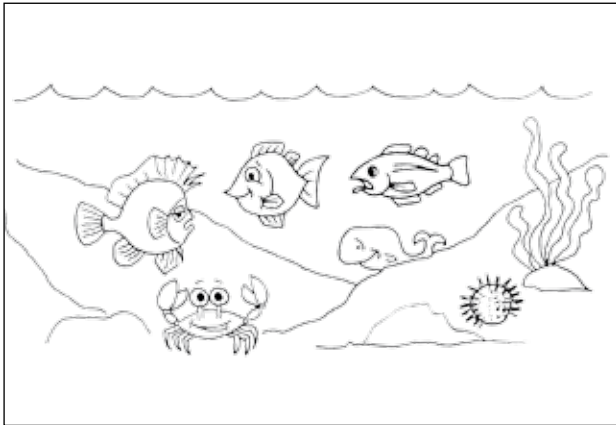

4. Hvat gat eg sagt, tá eg man sjá
alt lív í skógum yðja,
hvønn fuglaleik um heyg og lág
mær gleðisøgur siga.

Avritssíða 19b

5. Hvat gat eg sagt, tá eygað sær
á blómurnar um eingir,
og fuglasongur samfelt slær
sum túsund harpustreingir.

6. Hvat gat eg sagt, tá ið mítt sinn
í havsins djúp og grunnar
so lítið bert kann kaga inn
og sær so nógvar munnar?

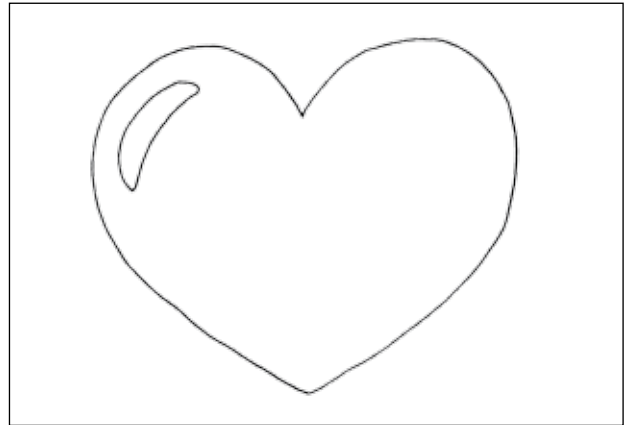

7. Hvat gat eg sagt, tá eygað sær,
hvør stjörnuherar leiftra,
hvør allir brosa blítt at mær
og sál at himni veittra?

Upp alt ið Harrin hevur gjørt

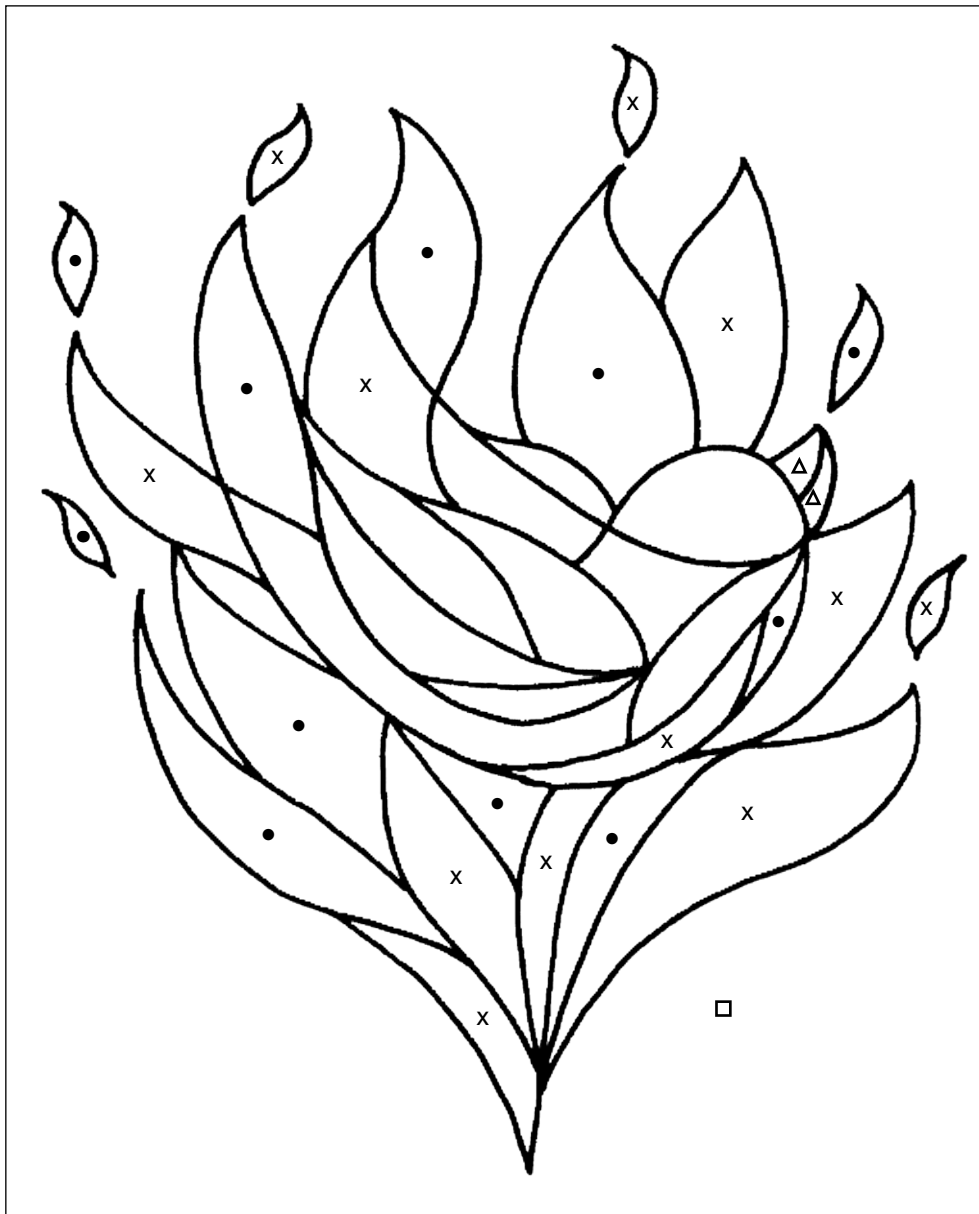

8. Hvat gat eg sagt, tá upp eg við
til Guðs í ond man fara
og síggi fylkjast lið í lið
hin blíða einglaskara?

9. Hvat gat eg sagt? Ja, málið mítt,
o Guð, ei megnar mæla,
hvør ríkt er kærleiksundur títt
og vís tín stjórn og tala.

10. Upp samfelt lov tú Drotni ber,
tú heimsins mannaskari:
Halleluja! Guð mikil er!
og himin: Amen! svari.
